HSC Sport Uniform

Years 8 and 9 students may wear their sports uniform on days when HPE practical lessons are scheduled on the student's individual timetable. It is recommended that students have two sports uniforms. The sports uniform remains the same throughout all year levels.

Years 10, 11 and 12 students will have the option of choosing sports subjects, therefore, some students may require an extra sports uniform. Those who choose to study Marine Studies in these year levels will need a sports uniform as they are worn on excursions and other activities related to that subject.
