- Some subjects may require students to wear headphones. These are not supplied by the school due to health regulations. If purchasing headphones please ensure that the audio jack is standard, size 3.5mm. Students will be notified by their teacher if headphones are required or otherwise it is mentioned in the stationery list.
- Students should ensure they use a separate exercise book for each subject.
  - Students may choose to use A4 ring binders to organise the exercise books for their subjects and, if so, exercise books should be purchased with ring binder holes. The use of A4 5-subject notebooks has been found to be problematic and students are discouraged from purchasing them.

- Students studying Health & Physical Education and Recreation require the following compulsory items for participation in practical lessons:
  - More than one sports uniform

  - Water bottle
  - Sunscreen
  - Swimwear (see below for details)
  - Sports shoes (see below for details)

  - Swimwear Requirements:
    Sun/rash shirts are encouraged; T-shirts are discouraged as they create drag in the water
    Female students
    One piece togs, skins or sports style two piece togs (i.e. crop top or sports style top)
    Short leg board shorts are permitted over togs
    No string bikinis are permitted in physical education lessons

    Short leg board shorts, skins or speedo style togs

  - Footwear Requirements:
    For every practical lesson, students must wear sports shoes that can lace up securely, provide sole support and cushioning for high impact classes. Workplace Health and Safety guidelines DO NOT allow students to participate in practical lessons if they are wearing unlace/loosely laced skateboarding style shoes with flat soles that lack grip.

Additional requirements for specific subjects are listed under each year level.
