“In life is a series of connections. Without them, there is no life.”
Rev Dr Elio Capra, State P&F Conference 2014

A great opportunity to connect and build families of our Catholic schools, colleges and wider community.

No RSVP required.

In today’s modern world we can often feel disconnected from our families and God. Fr Elio Capra will discuss building lasting connections with our families, in all their complexities, and God through the benefits and relevance of the Sacraments and Spirituality in contemporary society.

Fr Elio Capra’s presentation style is welcoming and engaging using music, art and laughter to inspire and revitalise his listeners.

Rev Dr Elio Capra sdb, a Salesians of Don Bosco priest, lectures in Liturgy and Sacramental Theology at Catholic Theological College, Melbourne. He is regularly engaged by Catholic Education Offices and Dioceses (including Rockhampton) around Australia to share his knowledge.

Hosted by the Mackay Catholic Primary Schools and Secondary Colleges P&F Associations.
