For all Workshop and Kitchen subjects

Fully enclosed leather shoes must be worn. Students are not permitted entry into these areas unless they are worn.

For students studying Health & Physical Education and Recreation

Students require the following compulsory items:

- more than one sports uniform
- College cap/bucket hat
- water bottle
- sunscreen
- swimwear (see below for details)
- sports shoes (see below for details)

Swimwear Requirements

- sun/rash shirts are encouraged; t-shirts are discouraged as they create drag in the water

Female students

- short leg board shorts are permitted over togs
- no string bikinis are permitted in Physical Education lessons

Male students

Footwear Requirements

For every practical lesson, students must wear sports shoes that can lace up securely, provide sole support and cushioning for high impact classes. Notes

- Some subjects may require students to wear headphones. These are **not** supplied by the school due to health regulations. If purchasing headphones, please ensure that the audio jack is **standard, size 3.5mm**. Students will be notified by their teacher if headphones are required, otherwise it is mentioned in the stationery list.
- Students should ensure they use a separate exercise book for each subject.
- Students may choose to use A4 ring binders to organise the exercise books for their subjects and, if so, exercise books should be purchased with ring binder holes. *The use of A4 5-subject notebooks has been found to be problematic and students are discouraged from purchasing them.*

Additional requirements for specific subjects are listed under each year level.
